We have assigned coaches from Class 3 programs to assist with officiating Class 4 and coaches from Class 4 to assist with Class 3.

North Point HS will attempt to provide student/parent support in each field event.

Pole Vault & High Jump excluded, athletes will be allowed 3 throws/jumps with the Top 9 athletes moving on to finals. Marks from the preliminary attempts will carry over to finals.

Athletes will need to remember to declare and check-in prior to the start of the event. Athletes will also need to remember to check-out prior to leaving the competition area for another event. Best practice is to wait for the 3rd and final call prior to checking out.

Please remember to hand the clipboard/results to the field event judge prior to announcing the 9 finalist. The field event judge and/or meet director will take the final results to TRXC.
